Discipling 10,000 MEN!

- ➔ Ten "selected" partnering states
- ➔ Each state selects 50 willing churches who want to truly disciple men
- ➔ 500 churches disciple 20 men in the next five years by forming a Men's Ministry Leadership Team and appointing a Head Coach
- ➔ Together we disciple 10,000 men!

The Need

The numbers...where you are-
For every 10 men in your church:

- * 9 will have kids who leave the church
- * 8 will not find their jobs satisfying
- * 6 will pay the monthly minimum on their credit card balances
- * 5 have a major problem with pornography
- * 4 will get divorced, affecting 1,000,000 children per year
- * Only 1 will have a Biblical worldview
- * All 10 will struggle to balance work and family

The Statistics

85% of the lay ministry in local churches is done by women.
80% of the prayer group members are women.
75% of Bible study leaders are women.
60% of youth leaders are women.

WALKS WITH CHRIST

LifeBuilders Essentials is our foundational discipling course for men. Designed to be taught one-on-one or to very small groups, LifeBuilders Essentials starts a man at the very beginning—salvation—and takes him through the basics of Christian belief and life. It prepares him both to be the Christian man he needs to be and to serve God effectively in the church.

Discipling one man or a small group (three - five)

LIVES LIKE CHRIST

Kingdom Calling is our follow-up series for discipling men. It brings them into a deeper relationship with God. The spiritual state of men in America is depressing, but Kingdom Calling enables the men of your church to be brought to a closer walk with God and a higher commitment to service in His Kingdom.

Advanced course-relationship oriented

WORKS FOR CHRIST

Matthew 25 Men is an onsite ministry for LifeBuilders men's groups to present Christ through short-term trips. LifeBuilders is now teaming up with Care Ministries to send manpower for meaningful service to various Church of God ministry centers which are flourishing across America.

Ministry adventure for men

When we win a man for Christ we usually win the home.

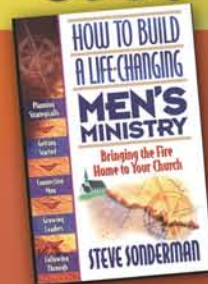

When a child is the first person in the family to come to faith, the rest of the family will follow 31% of the time.

When a mother/woman is the first person in the family to come to faith, the rest of the family will follow 17% of the time.

When a man/father is the first person in the family to come to faith, the rest of the family will follow 93% of the time.

How To Build A Life-Changing Men's Ministry - The past few years have brought a God-sent explosion of opportunities for men to grow spiritually. Large meetings, weekend retreats, urban and overseas mission projects lead men to want more: What can men in a local church, or fellowship do—week in and week out—to grow into what God wants them to be? This book goes through all of the steps in making this ministry a reality, such as: planning, getting started, connecting men, and following through.

Men's Ministry Action Plan - The big question: How can a church have a men's ministry that is really sustainable for the long haul? This is a four-session study that shows the leadership of your men's ministry how to make this a reality in the following steps:

Ministry to men: the big picture
Creating value in your ministry to men
Capturing the momentum you create
Sustaining change—long-term discipling

For the
Head Coach

Christian Coaching - Coaching is a word that is spilling over into all areas of our active lives. It can be used in any aspect of life that requires accountability, encouragement, and a commitment to growth. Through stories, insights, and interviews with influential coaches, Collins gives us a model of Christian coaching. This book will help you learn the characteristics of an effective coach, how to build those characteristics into your life, and how to coach and lead others with the same leadership style Jesus demonstrated: servant leadership.

Special note: START SMALL!

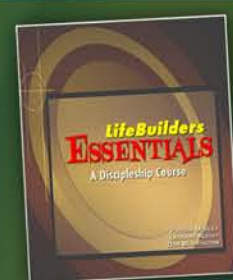

We recommend that you begin the discipling process with only three to five men. Please consider beginning with the Men's Ministry Leadership Team

For the
Head Coach

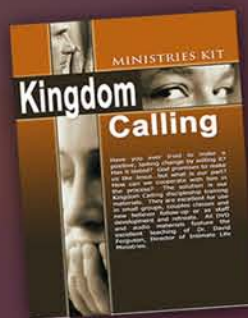

As Iron Sharpens Iron - In this book, the authors show that the most dramatic spiritual growth often happens through the influence of a mentor. Rooted in biblical principles, this book is both a profound and a practical guide to mentoring relationships for men. You will learn how to:

Identify the kind of mentor you need
Maximize your mentoring relationship
Model your relationship after biblical principles
Influence others as you replicate the mentoring process
